

South County CYC Official's Clinic Attendance Requirements

An individual wanting to officiate a sport in the South County CYC District program is required to take, and pass (80% minimum) an Officials' Test for the appropriate sport, and to attend a full Officials' clinic during their first three (3) consecutive years of eligibility.

Certain individuals will be required to attend only a mini-clinic (a shortened clinic held at the beginning of each regularly scheduled clinic) if:

- 1) They have taken and passed (80% minimum) the required South County CYC Officials test for the current year and appropriate sport.
- 2) They have officiated as an approved South County CYC District Official for the previous three (3) consecutive years.
